“VACATION BIBLE SCHOOL”

June 19-23, 2016

Next Sunday begins our Vacation Bible School. Have you ever thought about that name? Let's begin with “vacation”. This is the time of year that people begin going out of town for rest and relaxation. The kids are out of school and don't have homework, projects and class time to keep them occupied during the day. Mom and Dad take time off from work so that the family can be together and do something different, entertaining and fun. Many times that means traveling to a different place and seeing and doing fun things.

Now let's consider “Bible”. This, of course, is God's Word. It's that Book filled with wonderful stories about amazing people and amazing events. It tells the wonderful story of God's love for us. It tells us about the amazing things He has done to help us get to heaven. He has done things like sending fire down from heaven. He has given amazing victories to men who sought to serve Him. He has made “dry bones” to come to life. He has given victory to smaller armies. He had a donkey speak to her master. Believe it or not, these things are in the Bible.

Finally, let's consider “School.” School is a place of study, learning and application. For five nights, we'll be doing just that here at Warners Chapel. We will study about some amazing things. We'll be studying them from the Bible, and we'll be in a Christian environment with the church in the church building. We will gain knowledge and learn about amazing things.

Let's put it together: fun things, faithfulness to God's Word and only five nights for a vacation Bible school. We would really like for you to join us and want to encourage you to invite your friends. Did I mention that you need to bring your kids?

Please continue prayers for **Wanda Elam**. She is waiting for results from some tests taken recently.

Ronnie Knost is suffering from severe back pain due to the sciatic nerve. She has received a steroid medication to help relieve the swelling and pain.

Bobby Hoots, Jr., underwent surgery this past Wednesday and is doing well. He could possibly be released from the hospital on Friday, June 10th.

Karen Clemmons' brother, **Eric Drews**, underwent back surgery recently and is having problems.

An employee of Jake Woodbury has a six month old child, **Chris Rogers**, who has been diagnosed with retinoblastoma. The additional MRI and spinal tap test came back clear which was good news for their family in that the cancer did not spread. Treatments start later this week with chemotherapy. Please pray for Chris and his family that the treatment goes well.

Also, please pray for the Woodbury's friend from their church in the St. Louis area, **Angie Garcia**. She was five months pregnant and had to deliver because the baby's heart stopped. The baby did not survive.

Please keep **Hayward Dodd**, a family friend of the Thomason's and Down's, and his family in your prayers. His cancer has advanced and he has decided to discontinue treatment.

THE PRAYER LIST IS AVAILABLE ON
