IN APPRECIATION

We are grateful to Brother Derryberry for the splendid work he has done during the past four years. We feel sure that the seed he has sown through his faithfulness will bring forth much fruit in years to come and that the cause of Christ has been greatly strengthened by his labors with us. The influence of him and his family have been an asset to the church and community, and we trust that the ensuing years will be successful and prosperous ones for him. We hope that he and his family will continue to worship with us whenever possible.
