## IS YOUTH WASTED ON THE WRONG PEOPLE?

"Youth, is wasted on the wrong people!" is one of the lines in the movie, *It's a Wonderful Life*. The line was meant to be humorous, and I suppose to many adults it contains a great deal of truth. While a person may "waste" his youth on a lot of things, there are many things that young people do that are very productive and beneficial to others and themselves.

For example, a young person who takes Ecclesiastes 12:1-4 to heart will have prepared himself not only for eternal life but also for the later years of this earthly life. Isn't that what parents would like for all their children to do? While the answer is, "How do we get our young people to do that?"

One part of the answer is for parents to not only "preach," but to practice what they preach. Most young people are able to discern the difference between those who say and those who say and do. Another part of the answer is for parents to actually take the time to teach their children. It's one of the main themes of the book of Proverbs. Another part of the answer is to encourage our young people to become Christians.

While this is by no means the complete answer, it is a beginning point for making sure that youth is not wasted on the wrong people.

## The Van and New Bus

As we discussed in our congregational meeting, the National Transportation Safety Board has issued a number of safety warning bulletins concerning our passenger van. There have been numerous accidents and fatalities in these vans due to a higher frequency of roll over and when there is a rollover the side panels were not constructed strong enough to hold up. It was made for a work van, not a passenger van. Some church insurance companies are dropping coverage for these vans or requiring the removal of seats so that it cannot fit 15 people. Because we are concerned and the potential for our insurance company to drop coverage, we are selling the van. To replace the van we are in the process of purchasing a new 15 passenger bus. The bus is easy to step into, you can fully stand up in it, it has individual wide seats with seatbelts and plenty of storage as well. It will have Warners Chapel signage too. Obviously this is a huge benefit to the congregation and we believe we can get more participation in local evangelism and local mission efforts and participation in area gospel meetings and it can better serve our seniors and youth as well.

We thank the Jim and Gladys Harper estate for providing 100% of the funds to fully purchase the new bus. We should have delivery in about 30 days. We are also looking into putting up a carport to keep it covered.

As for the van, while we have a tentative buyer, we do want to offer the option to purchase it to any member of the congregation through a sealed bid process. If you are interested please submit your name and bid in a sealed envelope and give that to one of the elders by next Sunday.
