PRAYER LIST / ANNOUNCEMENTS

Peggy Holder hasn't felt well all week. She doesn't have COVID. Please pray for Peggy and send cards. She needs encouragement right now but no visits.

Please pray for the families affected by the explosion at the Accurate Energetic Systems facility in Tennessee.

Please pray for Shannon Truban, student worker of Emily Workman. After an MRI last week, the doctor discovered a mass on her chest. They currently believe it's an abscess that can hopefully be treated with antibiotics but it's possible it will require additional treatment. Shannon is in her 30s, married, and has young children.

Connie Kale (Teresa Glenn's cousin) had a double mastectomy last week. She is home recovering. Please keep her in your prayers.
