Our Fourth Annual NCSBS Lectureship

If you missed our fourth annual lectureship, you missed so many good things. Yes, you missed good fellowship, good men speaking good lessons, and a good opportunity to show support to a work of this congregation.

Our theme this year is “Christian Living Is ...” As a school of biblical studies it is important that we teach our students the importance of walking the walk as well as talking the talk. It is imperative for the faithful Christian, as well as the faithful Gospel preacher, to live the life we proclaim.

We offer this little booklet with the hope that the outlines within its pages provide a reminder of the lessons delivered about Christian living. Our lectureship booklet is available for free and if you haven’t gotten a copy please let me know and one will be provided.

For those of you who worked behind the scenes to make this year’s lectureship successful, we want to express deep gratitude for your great work and support of the North Carolina School of Biblical Studies.

We will be planning for our fifth annual lectureship and would like you to think about making plans to help make it even better than this year’s.

Dean of Students, NCSBS

CHOICES!!

“Then Lot chose him all the plain of Jordan; and Lot journeyed east: and they separated themselves the one from the other. Abraham dwelled in the land of Canaan, and Lot dwelled in the cities of the plain, and pitched his tent toward Sodom.” (Genesis 13:11-12)

Choices are important! Sometimes our whole future can depend on the choice we make. It may not seem important at the time, but choosing between right and wrong is always important! Lot’s fatal choice lost him Abraham’s good influence, subjected him to many temptations, put his family in a wicked environment, and cost him his wife, children, possessions, and much shame.

It is said that the top of geographical areas known as continental divides, a matter of inches decides which direction the water will flow. There is a house in New York between Westfield and Mayville on which when it rains the water that falls on one side of its roof flows into the Great Lakes and the water that falls on the other side of its roof flows into the Gulf of Mexico. So it is our choices that determine our direction in life!

When facing choices, let us always seek God’s direction and be willing to accept it. Let us not be blinded by possible immediate results, but look at long-range effects. Let us like Joshua choose for ourselves and our families above all to serve God (Joshua 24:15). Let us attempt with His help to place ourselves in the best environment possible conducive to our spiritual welfare. (Matthew 6:33).

OUR SICK

Please Remember In Your Prayers

It was reported Wednesday evening that Laura Cooper and Chris Dejern's father would undergo surgery this past Thursday for colon cancer. He is doing well and is in Medical Park Hospital recovering.

Kerri Hudson, a relative of both Don Minor and Al Lawson, had to return to the Forsyth Medical Center recently because of an unknown illness which was first believed to be a heart condition. She has been released again this past week without the doctors still not knowing what is causing her pain.

The **Prayer List** is available on the credenza in the foyer.

~IN SYMPATHY~

Our sympathy goes out to Carla Kirkpatrick and family in the death of her oldest sister, **Rhonda Wigal**, who passed away on May 26th. She had been in the hospital a few weeks ago for some health problems. She died of a heart attack. She was 56. The funeral was held on Thursday, May 31st.

Also, our sympathy goes out to Clarence Sheets and family in the death of his nephew, **Charles 'Justin' Sheets**, who passed away on May 28th. His funeral was held on Friday, June 1st at Hayworth Miller, Silas Creek Pkwy. He was 35 years old.
