A CORDIAL WELCOME AWAITS YOU

APRIL 19, 2009

“FRIENDS AND FAMILY DAY”

The Bible tells us that the family was instituted by God. Throughout its pages we read so many passages that tell of the family’s virtue and worth. The Bible also speaks about friends. In fact Proverbs 18:24 says, “A man who has friends must himself be friendly, but there is a friend who sticks closer than a brother.”

Today is “Friends and Family Day” at Warner’s Chapel. If you are family, you know just how welcome you are here. If you are friends, then we would like for you to get to know us and possibly become part of the spiritual family here.

We will be having a meal today that has been prepared for this special occasion and we would be honored if you would stay after the morning service and join us.

The church is referred to as the household, or family of God, Galatians 6:10; Ephesians 2:19. If you are a member of the Lord’s body, you are a part of this family. If you are not a member we would certainly love the opportunity to teach you how to become a part of the “household of God.”

At any rate, we want you to know you are our honored guest and will welcome you whenever you are here. But especially today, we want to say, “Welcome, to the Warner’s Chapel church of Christ on this “Friends And Family Day!”

Nobody Made It?

Sir Isaac Newton once had an exact replica of the solar system made in miniature. At its center was a large golden ball representing the sun, and revolving around it were small spheres attached at the ends of rods of varying lengths. They represented Mercury, Venus, Earth, Mars, and other planets. These were all geared together by cogs and belts to make them move around the “sun” in perfect harmony.

One day as Newton was studying the model, a friend who did not believe in the biblical account of creation stopped by for a visit. Marveling at the device and watching as the scientist made the heavenly bodies move on their orbits, the man exclaimed, “My, Newton, what an exquisite thing! Who made it for you?” Without looking up, Sir Isaac replied, “Nobody.” “Nobody?” his friend asked. “That’s right! All of these balls and cogs and belts and gears just happened to come together, and wonder of wonders, by chance they began revolving in their set orbits and with perfect timing.”

The friend got the message. It was foolish to suppose that the model merely happened (Psalm 14:1), but it was even more senseless to accept the theory that the earth and the vast universe came into being by chance. How much more logical to believe what the Bible says, “***In the beginning, God created the heaven and the earth***” (Genesis 1:1)

THINK OF GOOD THINGS

- ⇒ Few things help an individual more than to place responsibility upon him and let him know that you trust him.
- ⇒ If a window of opportunity appears, don't pull down the shade.
- ⇒ If God brings you to it, He will bring you through it.
- ⇒ Truth indeed rather alleviates than hurts, and will always bear up against falsehood, as oil does above water.

MASTER SHEET FOR CEMETERY

A new updated master sheet for the cemetery will soon be made. Members can choose a plot at any time. If you have been thinking about reserving a plot and want to get on the updated list, please see Randy Warner or Tommy Rose by the end of April.
