You Are The Salt of the Earth

I. A Description to Appreciate – "You are the salt of the earth"
1. Salt is an absolute necessity
2. Salt works at the expense of itself
3. Salt must come in contact with the substance to be preserved, flavored, or otherwise influenced.
4. Salt preserves and prevents
5. Salt purifies
6. Salt can be destructive
7. Salt creates thirst
8. Salt gives flavor
9. Salt blends
10. Salt is penetrating
11. Salt speaks for itself
12. The presence of salt makes a difference

II. A Danger To Avoid – "But if the salt has lost its flavor, how shall it be seasoned?"
- A. The possibility of apostasy, falling from grace, and being lost is a reality.
- B. How can a Christian lose their flavor?
  1) Not possessing the beatitudes (Matt. 5:3-12)
  2) When we lose from our character those inherited qualities of salt.
  3) By constant exposure to and participation in the illegitimate things of the world.

III. A Destiny To Abhor - "It is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men."
- A. The savorless salt has become so useless that it is not to take the place of the real commodity.
- B. A Christian can so conduct themselves that not only will he lose his influence for good, but also the following things must and will obtain:
- C. Fellowship of the church must be withdrawn
- D. Eternal separation in the lake of fire will be experienced (Matt. 13:41, 43, 25:30, 41, 46)
