## PLAYING IT SAFE

It is a mark of wisdom to pursue a safe course. Following a safe course is why we put fire escapes in buildings, traffic signals on streets, and speed limits on highways; why we have physicals, take blood pressure, inspect meat, build houses on the rock, read what we sign and especially the small print. The Holy Spirit said, "The wise in heart shall be called prudent" (Proverbs 16:21). Jesus talked about the wise man who built his house upon the rock. He was speaking about a man building his life upon scripture.

Are you pursuing the safe and wise course in life by following the scriptures? The safest course would be to come to every Bible class that we offer. Why not bring your Bible to study and worship with us?

Paul

## NICARAGUA MEDICAL/EVANGELISM CAMPAIGN

On June 17th, eleven Christians from Warners Chapel (David & Jeannie Moore, Ingrid Mock, Todd and Andrew Hinson, Andy & Robbie Santiago, Justin & Amber Minor, Jessica Paschal and Olivia Clemmons) will be leaving for Nicaragua on a Medical/Evangelism Campaign. The elders have set aside \$7,500 from the church treasury to help with expenses. That amounts to approximately \$682 per person. Due to rising fuel costs, the airfare this year will be \$1,012 and the in-country expense has increased to \$750. Each participant contributed \$300 as a commitment fee at the time they submitted their application. Unless other individuals contribute toward the remaining expense, each participant will be responsible for around \$800. For those of you who can't go to Nicaragua, this is an opportunity for you to participate in addition to your regular contribution. If you would like to contribute, write your check to Warners Chapel and put it in the Nicaragua envelopes you will find on the credenza in the foyer.
