**A CORDIAL WELCOME AWAITS YOU**

**August 9, 2009**

*Welcome our students from NCSBS ...*

***Dathan Bodie** was born in Nassau, Bahamas and lives in the Charlotte, NC area. He and his wife, Felecia have one child. He attends the University congregation in Charlotte. Before coming to school here, Dathan owned his own business. He had group homes for children with emotional and behavioral disorders. When not studying and doing the Lord's work, Dathan enjoys reading. His reading interests are primarily History and Political Science. One of the primary reasons for attending NCSBC is to become a gospel preacher. Dathan is a second year student and will graduate in July, 2010.*

***Eric Bouza** was born in Havana, Cuba and he also lives in the Charlotte area.. He has three children: one girl, and two boys. Eric worships at the Mountain Island congregation. Before coming to school, Eric was project supervisor for a construction company. When he isn't studying or doing the Lord's work, Eric enjoys "flying" on flight simulators on the computer. One of Eric's reasons for attending NCSBS is to serve the Lord the best way he can. Eric is a first year student and will be graduating in July, 2011.*

*Both of these men stay at the house in Lewisville during the week and return to their families over the weekend. We want to welcome them both, and the other students as well. We're glad they are here and strive to provide them with the tools necessary to be faithful gospel preachers.*

*—Frank*

## More is Caught than Taught

If a child is taught that he is his own authority, he will look upon all other authority with disrespect. If a child is taught that God and His word are final authority, he will look upon all authority emanating from Him with respect.

If a child is taught he is part of the theory of evolution, he will look upon himself as an advanced animal. If a child is taught that he is created in the image of God, he will look upon himself as an immortal soul.

If a child sees the Bible is only read in church assemblies, he will look upon it as unrelated to daily life. If a child sees the Bible read and obeyed in his house and education, he will look upon it as a guide to life and eternity.

If a child is taught that there is no absolute truth, he will look upon morals as a subject to his emotions of the moment. If a child is taught that God's word is absolute truth, he will look upon morals as subject to firm precepts.

If a child is allowed to read profane and foul literature, he will look upon life as permissive and perverted. If a child is taught that God hears and answers prayers, he will look upon prayer as a source of strength to help through life.

If a child is taught that reasonable parental discipline is an infringement upon his right, he will look upon his parents and teachers with contempt. If a child is taught that parents are responsible to God to discipline him for his highest eternal good, he will look upon his parents with love and respect.

*“And, ye fathers, provoke not your children to wrath; but bring them up in the nurture and admonition of the Lord (Ephesians 6:4).*

—House to House/Heart to Heart
