## **NOT EVERYBODY ELSE”**

People are always measuring things, comparing results, and applying those results in their lives. From rain gages to research on carbohydrates, people like to measure. I once read an article in a church bulletin entitled, “Seven Ways to Measure the Spirituality and Strength of the Church.”

It's good to measure a congregation but I believe it's also good to measure our own spirituality and strength. See what you think:

Number one: **Dedication** — to be measured by one's spiritual growth.

Number two: **Compassion** — measured by the services rendered to those in need.

Number three: **Love** — to be measured by the souls taught the Gospel of Christ through one's own endeavors.

Number four: **Mercy** — to be measured by the seriousness with which one accepts the “Great Commission.”

Number five: **Devotion** —to be measured by the sincerity with which God is worshipped.

Number six: **Hope** —to be measured by the security each member feels in Christ.

Number seven: **Conviction** — to be measured by the sacrifice one makes of his money.

**Because each congregation consists of a body of obedient believers, these are good ways to measure, compare with, and apply to its spiritual growth. But we need to remember — each person must examine him or herself, not everybody else.**

## Elders Corner:

### ***"Nobody Made It"***

Sir Isaac Newton once had an exact replica of the solar system made in miniature. At its center was a large golden ball representing the sun, and revolving around it were small spheres attached at the ends of rods of varying lengths. They represented Mercury, Venus, Earth, Mars, and other planets. These were all geared together by cogs and belts to make them move around the "sun" in perfect harmony.

One day as Newton was studying the model, a friend who did not believe in the Biblical account of creation stopped by for a visit. Marveling at the device and watching as the scientist made the heavenly bodies move on their orbits, the man exclaimed, "My, Newton, what an exquisite thing! Who made it for you?" Without looking up, Sir Isaac replied, "Nobody." "Nobody?" his friend asked. "That's right! All of these balls and cogs and belts and gears just happened to come together, and wonder of wonders, by chance they began revolving in their set orbits and with perfect timing."

The friend got the message. It was foolish to suppose that the model merely happened (Psalm 14:1), but it was even more senseless to accept the theory that the earth and the vast universe came into being by chance. How much more logical to believe what the Bible says, **"In the beginning, God created the heaven and the earth"** (Genesis 1:1)

## OUR SICK

Please Remember in your  
prayers

Don Minor was scheduled to have a stress test this past Friday. Following the results of this test the doctors will decide how to proceed.

Carla Kirkpatrick's mother, Janet Mahan, is scheduled to have surgery on August 27th. She will have an colostomy for a while which will be reversed in a few months.

Prayers have been requested for Bill William's mother, Brenda, who has cancer and is in the Baptist Hospital undergoing chemo treatments. Prayers are also requested for all the family at this time.

## SCHOOL SUPPLIES DRIVE

There will be a school supplies drive for Griffith Elementary School from now until August 23rd. There is a box in the foyer where you can leave the supplies or you can give a monetary donation to Nancy or Laura Cooper.

## YOUTH MEETING

The Youth Meeting will be held on Saturday, August 29th. We will be going to Hanging Rock. We will meet at the Advanced Appliance parking lot at 9 a.m. For details, please see Richie or Bridget Hill.
