We certinally were encouraged to see many of our folks back in services Sunday. We hope the "epedemic" of colds and flu is on the way out.

Perhaps the greatest fault of mankind is neglect. The parents

love their children and are interested in their welfare, yet, many times they neglect to "bring them up in the nurture and admonition of the Lord." We all know of some sick friends who we hope will get well, yet we do not visit them. Many of us know of some weak brother who is about to fall under the burden of sin, yet we neglect to help him.

There is another duty many of us neglect. That is to read our Bibles. Many of us would not think of mis-

sing a single service of the church, and still neglect to study our Bibles. Let's not neglect this very important matter.

God's teaching.....vs..Man's teachings

(Which will it be, friends, God's will or man's way?)

A boy brought up in Sunday School is not often brought up in court.

The follies of youth become the vices of manhood, and the disgrace of old age.
