## "Whose Side Are You On?"

Once there was an elderly man who was almost completely deaf. Every Sunday morning and evening and every Wednesday night he was seen going off to worship and Bible study. One Sunday morning a neighbor stopped him and asked why he always went to worship when he couldn't hear a thing that was said. His reply was, "I want all my neighbors to know whose side I'm on." It **would** be a much better world if everyone who claims to be a Christian had the attitude of wanting everyone else to know whose side they were on.

Attending every service of the church is one way of letting the world know whose side you are on. If you haven't been attending, it's possible that people don't know whose side you **are** on. Why not make it clear? Come worship with us. Come on! We're on your side.

Frank
