## MARRIAGE

*Marriage is the most important and most intimate human relationship. For the past three weeks we have investigated several areas of the subject and they are as follows.*

- **Marriage is to last as long as both people live.**
- **Marriage is to be between two adults.**
- **Marriage is to be between one man and one woman.**
- **God hates divorce.**
- **If a person divorces his spouse for a reason other than fornication and marries someone else he commits adultery**
- **If the divorced spouse marries someone else she commits adultery and the person who marries her commits adultery.**
- **God gives one exception to this - and that is if one of the people in that marriage commits fornication – the innocent party is free to divorce his spouse and marry someone else.**
- **It is God who joins two people in marriage.**
- **No one has the right to separate the two people who enter into marriage.**
- **Anytime divorce takes place it is caused by sin.**
- **God does not allow divorce and remarriage to take place except for fornication.**
- **People can live in adultery.**
- **God’s marriage laws are binding on all people.**

*The Bible teaches that there are only three classes of people whom God will join together in Holy Matrimony and that consists of those people whom God approves of being married.*

- **A male or female adult who has never been married before.**
- **A male or female adult whose spouse has died.**
- **A male or female adult who has divorced their spouse because their spouse committed fornication.**

*May we always seek to obey him. Remember, “what God as joined together, let not man separate.” (Matthew 19:6)*

## ELDERS CORNER:

### POSSIBILITIES

*Rockefeller could sign his name to a piece of paper and make it worth a million dollars. That is capital.*

*Longfellow could take a worthless sheet of paper, write a poem on it and make it worth \$6,000. That is genius.*

*A mechanic can take materials worth five dollars and make an article worth fifty dollars. That is skill.*

*Uncle Sam can take gold, stamp an eagle on it and make it worth twenty dollars. That is money.*

*An artist can take fifty cents worth of canvas, paint a picture on it, and make it worth a thousand dollars. That is art.*

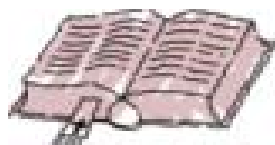

*God can take a worthless, sinful life, wash it in the blood of the Lamb put His Spirit in it, and make it a blessing to humanity. THAT IS SALVATION.*

### DIVERS DISEASES

A preacher's text was: "They brought to Jesus all sick people that were taken with divers disease."

The preacher said, "now, doctors can scrutinize you, analyze you, sometimes cure your ills ... butk when you have divers diseases, then only the Lord can cure you! And, brethren, there is a regular epidemic of divers diseases among us!"

"Some 'dive' for the door after Bible Study is over. Some 'dive' for the TV set during evening services. Some 'dive' into a bag of excuses about work that needs to be done for Jesus. Others 'dive' for the car and take a trip over the weekend and forsake the assembling and teaching assignments. Then a few 'dive' into a flurry of fault-finding every time the church takes on a program of work. Yes, brethren, it takes the Lord and the love for His church to cure divers disease. When you have divers disease, you are in a bad way, brethren."
