We welcome to our community, the following visitors. Miss Shirley Kauffman and Miss Peggy Scott, of Berkeley, Nebraska, are visiting with Mr. & Mrs. George Harper and other relatives. We are very happy to have you, and hope that your stay shall be a very pleasant one. We welcome you always to the services of the Church of Christ. Brother and Sister Winston Tynes are also visiting with us. We welcome them in a most hearty way. They are, as you know, related to the Warners. They are making their headquarters at the home of Brother & Sister John W. Wagon. Brother Tynes will do the preaching at both morning and evening services. He will also do the radio preaching. So we take this opportunity to extend unto everyone a very hearty invitation to these services, and pray that you also listen in on the radio, Station WTOB at 9:30, when Brother Tynes shall discuss some vital truths from the book of God. THE TRUTH MAKES FREE. John 8:32. The Lord willing, we shall begin a series of Trust at 8:15 with the Church at Abilene. This meeting is scheduled to run from August 13 through 20. We invite all to come and help us in this Gospel effort. Time of services, 8:00 P. M. Brethren Gene Arnold and Rex Beavers will conduct the song service. A warm and hearty welcome awaits you.

Mid week services

It has been said, and I am sure it is true, that there is no use trying to have mid week services, but this will in no wise apply to folks who love the Lord. We have witnessed this at Warners. There are a great number who always find time for Bible study. The average attendance on Wednesday afternoon is 18, plus the children. You can help increase this number. Is it possible for you to come? Could you go to town if you wanted to? Could you go visiting? Then why not attend the Bible study? The same is true of the evening Bible study. No use trying to teach others when we are so neglectful. Be present the next time, won't you please? Reasons

may stand in the judgement, but excuses will fall. What is yours, a reason or excuse? The attendance was very gratifying, both afternoon and evening. But we certainly missed seeing some of you. Let us

Let us remember, brethren, that the Elders and Deacons will meet Saturday evening at 7:30. These brethren are doing an excellent job in planning the work of the Church. Should anyone have a suggestion to offer, please let it be made known to some of the Elders before the meeting. They will welcome your suggestions.

We regret very much to lose Brother Cecil Derryberry and his good family in the Carolinas. Brother Derryberry has done some fine work in this field. However, we are assured that all things work together for good to them that love the Lord, to them who are the called according to his purpose. Rom. 8:28. We bid him God speed as he departs from us to begin his activities with the Church at Manchester, Tennessee. Our loss shall be a gain to that congregation.

Let us bear in mind, he that soweth bountifully, shall also reap bountifully; he that soweth sparingly, shall

reap also sparingly. Every man according as he purpeth in his heart so let him give; not grudgingly or of necessity: for God loveth a cheerful giver. And God is able to make grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work. II Cor. 9:6-8.

We are very happy that Brother and Sister ~~Hor~~ Warner are back with us after a most enjoyable vacation. They were in, and through twenty five states including the state of N. C. Their traveling distance was 7,475 miles among the many places of interest visited by them (dog with Larry) was the great painted desert in Arizona, Boulder Dam, the grand canyon in Colorado, the huge redwood forests in the state of California, Craterlike in Oregon, and the Yellowstone National Park in Wyoming. Many beautiful sights have been theirs to enjoy. We are delighted that they were able to make such a trip, and enjoy themselves. Sister Warner told me, that after seeing the great expanse of desert, with no sign of life, no touch of man's hand, that it tends to make one appreciate much more the goodness of God. How wonderful it would be if we were all made to entertain such noble thoughts.

Brethren, we must doff our hats to Brother John Warner. He started out to get the adjacent lot to the Church property all fixed up, and he hasn't let up. He does quite a bit of wobbling on that stick, but he gets the job done. Cherrie to you, Brother John. The place really does look nice. Interest will do much in God's service.

Sis. Lillie Moser & Judy are gone to Texas. We hope for them an enjoyable visit, and a safe journey home. We miss them quite a lot.

Bro. Oscar Moser and Wife have been ~~visiting~~ ~~staying~~ our community for several days. We trust that their stay was most pleasant and hope they may visit with us again. Bro. James Harper and Sis. Mildred Warner had a birthday recently. I believe it was July 28. They were entertained by a great host of friends, with the wish for many more happy birthdays. It wouldn't be wise to ask their age.
