A CORDIAL WELCOME AWAITS YOU

MAY 8, 2011

Act 17:11 - *These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so.*

The elders are always looking for ways to provide members with good study material on vital bible subjects. We have found three lessons on giving by Brother V. P Black, (now deceased) that are not in print anywhere except on line. We want to share these with you through Warners info e-mail. We have begun today sending the first of these for your private study. If you don't use a computer, let us know and we will get you a printed copy. These lessons are not only good for those in a leadership position, such as preachers, elders, deacons teachers, but are great for each member of the Lord's church to better understand how and why we are to give. These lessons will make each of us think about our giving on the first day of the week.

Pray for the Mission trips that are planned to India on May 19th. and Nicaragua on June 17th. 2011. If you can help financially with either of these mission works, write your check to Warners Chapel and place it in the appropriate envelope you will find on the credenza in the foyer.

ELDERS CORNER

A Good Work: Getting Better Because of You

At some time everyone will need a little help. Those with family, close friends, or neighbors are blessed because help is only a phone call away. For some, family and neighbors may not be available to assist them. It is this group that members of this congregation have stepped forward to help through the years. We would like to build on this good work by expanding their efforts to reach senior members of the congregation that need congregational help. There may be a need for light housekeeping, financial tasks, errands, shopping, visiting, yard work, reading, respite care relief, spiritual support, telephone reassurance, transportation, or something else. There are approximately 30 of our members that may be in need of assistance. In the near future these members will be contacted to discuss their needs. Bill Carothers will be the contact person to coordinate this work.

We will need you to lend your special talents to help out. You may be the right person at the right time to change a light bulb, rake a yard, or pick up a prescription from the pharmacy. You may want to work with a group to accomplish a larger task.

We will start out slowly as we learn to coordinate needs with various talents. Our goal is to glorify God through helping others in the household of faith.

IN CONJUNCTION WITH THE MISSION TRIP TO NICARAGUA —

There is a need for boy's clothing (t-shirts and shorts). Yard sales provide an excellent source for such items. Your help will be greatly appreciated!
