COUNTERFEIT

When I lived in Orangeburg, SC, I was a member of the Rotary Club which is a service organization. Each Tuesday we would meet at the Orangeburg Country Club for lunch and to hear a speech about a wide variety of subjects by guest speakers. One afternoon I was impressed by a Secret Service Agent explaining the way he and other agents detect [by the way you can search secretsservice.gov for more detailed methods] counterfeit currency. You have seen many stores use a marker to mark a line across your \$20 bills. If the marker line is brown the currency is valid. If it turns black it is counterfeit. The marker reacts to the special paper and ink that is used by the Treasury Department to print the bill.

In recent years the Government Printing Office and Treasury Department have been developing ways in which to make our monetary system more secure. Other nations have plotted ways to flood our nation with counterfeit currency and thereby collapsing our economy. Holograms, watermarks [which are threads in the paper that are cross-directed] and other methods help to secure our currency from being copied.

Most people think that much training goes into the development of skill levels to detect counterfeit bills. Secret Service, Treasury Department employees and bank tellers can identify counterfeit bills by knowing what an authentic bill looks and feels like. They handle money on a regular basis and know whether a bill feels right or not.

Christians who are moving to a new area or those who seek out a church home should first be educated to know what to look for. Not all churches seek to please the Lord by abiding in His teaching. It does not necessarily mean that a church is faithful just because they have the name “church of Christ” on the sign. Older Christians know what to look for in attending a faithful church. They can recognize those who are sound in the faith and those who are not. Like the bank teller, the Secret Service Agent and the Treasury Agent, they can tell whether it “feels right or not.” There is no room in the Kingdom for a “Counterfeit Church.”

ELDERS CORNER:

Our theme this year is “Learning from the Past, Planning for the Future” and so far in the Elders Corner we’ve been looking at some past articles from the Warners Chapel bulletins.

This week the focus is to look back at one of the biggest foreign mission works that this congregation has been involved with. That work is Nicaragua and it is a work that this congregation has not only been supporting for the past 16 years but one that the members have been actively participating in during that time.

Warners Chapel became involved with Nicaragua in 1998. It was a work that the East Ridge church of Christ in Chattanooga, TN was actively engaged with and Allen Womack, a former elder at Warners who relocated to Chattanooga, was helping to coordinate and invited Warners Chapel to participate.

Since 1998, over 40 different members of this congregation have been to Nicaragua and participated in that work. During the past 16 years, over 30,000 people have learned about the church of Christ through these mission efforts and several hundred have been baptized into Christ.

This year, we have the largest group ever from Warners Chapel planning to participate in the June campaign. The elders have dedicated the entire 5th Sunday contribution to support this effort. Your contribution next Sunday will help offset the participants expenses and help with benevolence needs such as food and clothing, bedding, shoes, wheelchairs, canes, Bibles and much more.

Next week we will cover more about this June’s campaign and the participants.

It was announced Wed. evening that **J.D. Beshears** was released from the hospital. It was learned Thursday that was in error and he was still in the hospital.

Prayers are requested by Ingrid Mock in behalf of her grandchildren's family. The grandfather on their father's side passed away unexpectedly on March 16th.

The **Prayer List** is available on the credenza in the foyer. The prayer list consists of others we need to remember in our prayers in addition to those listed above.

Project Barnabas

Hebrews 10:24 "And let us consider one another in order to stir up love and good works."

Encourage Ryan and Sarah in Peru by dropping a note to them. You can use your own card or there are some blank note cards and pens provided on the foyer credenza.

Drop completed cards in the collection box. They'd love hearing from you all about things in your life here. Put your card in the box by Sunday, **March 29 p.m. service.**

We will collect them each Sunday and Wednesday for several weeks, then send them all together as one surprise package from Warner's.

Thanks.
