LOVE OF THE TRUTH

Let men learn to speak plain and unmixed truth. The man who is not careful of facts warps his memory and makes it become a servant of sin by distorting its contents to untruths with an overactive imagination or unholy desire. God terribly punishes the man who does not and will not love truth in his heart! And to those who love truth unmixed, God makes the devil defeat himself by branding those who practice deceit....Keep absolute truth in your heart! Do not warp your soul to all eternity by countenancing deception or telling any shade of falsehood! Be careful of your words -- use as few as possible. We shall give account of every idle word in the day when the secrets of men shall come to light and be judged by God. He solemnly warns us against foolish talking. He warns no one idly!

"?????"

If a man preaches just what the apostles preached, without adding thereto, taking therefrom or in any way changing it; and if those who hear his preaching accept and conform to it, what will they be religiously? Will they be Catholics, Episcopalians, Methodists, Baptists, Presbyterians, etc.? (This is a very interesting and informative point). No one who accepted Christ under preaching of the apostles was ever recognized by any appellation other than just Christian. Indeed, they were continually referred to as "saints," "disciples," "children of God," "members of the body of Christ;" but were never called "Catholics," "Episcopalians," "Methodists," "Baptists," "Presbyterians," etc., --only "Christians." The gospel preached by Apostles does not make a man anything but a Christian, a member of the body of Christ, "which is the church." When a man becomes something more or less than just a Christian, a member of the New Testament church, he has accepted and conformed to something other than the things preached by the apostles.

DEVOTIONAL READING

Miller Cartwright will read the devotional reading Sunday, July 8.

We have received word that James Hauser of Bengkelman, Nebraska, suffered a broken leg when kicked by a horse. We wish him a speedy recovery.

The sweetest songs often come from broken hearts.
