“A Look Back at the Youth Lectureship”

There are some things we can draw from last weekend's Youth Lectureship. But before we do that there are a few "stats" to know about: 1) There was a total of 213 in attendance; 2) 80 of those were from Warners Chapel; that's 33%. Including Warners Chapel and Doug Frazier's congregation there were seventeen congregations represented. Those congregations are: Warner's Chapel, Alachua (Doug Frazier), Brewer Road, Capernaum, Cary, Cherokee, Deep River, Friendly Avenue, Gold Hill Road, Harris Boulevard, Highland Acres, Lexington, Mountain Island, North Main (Mocksville), Oak Forest, Sanford, South Fork.

Although not the only factor involved in their conversion, two young souls were added to the Lord's body on Sunday. One was early Sunday morning and the other was Sunday after the congregational dinner. We were blessed with a third baptism Wednesday evening and although the lectureship did not necessarily impact that conversion I believe it created an atmosphere that would encourage one to follow his conviction.

Because this was an idea, a lectureship, that hadn't been utilized before, there was a certain amount of "risk" involved. The idea came from within our own youth group but would the youth in other congregations respond positively to it? One hundred and thirty people and sixteen congregations is the answer. This also tells us that our youth are being led in the right direction, thinking in a spiritual direction.

But we're not finished yet. Think about how many people cooperated and worked to make this effort a success. Sleep accommodations, transportation, food, décor, attendance, clean-up, and Christian hospitality were in abundance. We also need to remember the efforts of the speakers and their willingness to participate in this activity at Warners Chapel. Looking back cause me to look forward with the hope that we have another youth lectureship.

ELDERS CORNER:

Youth Lectureship

It has already been said publicly, but needs repeating, that the Youth Lectureship this past weekend was a great success. It was a success because sound Bible lessons were presented to those present. Also the young people and those not so young had an opportunity to fellowship with Christians they know from other places and make new Christian friends.

The total attendance was 213 on Saturday with 80 of them being from Warners Chapel. There were a total of 17 Congregations represented at the Lectureship. The congregations represented were:

Warners
Alachua (Doug)
Brewer Rd.
Capernaum
Cary
Cherokee
Deep River
Friendly Ave
Gold Hill Rd.

Harris Blvd.
Highland Acres
Lexington
Mt. Island
North Main, Mocksville
Oak Forest
Sanford
South Fork

Warners is fortunate to have dedicated people who tirelessly work with our young people to help teach them to make the right decisions spiritually as well and morally.

Thanks to all who worked so hard to make this event a memorable time for all those present. This includes those who began nearly one year ago putting together all the plans and those who helped with everything that made it a success.
