How To Have A Successful VBS

Wes Garland

This week, beginning this morning, starts our VBS. But how do we make sure that it will be a great and successful one? I want to give you a few things to think about as we answer this question.

Pray about it - The reason that we need to pray about it is that we are giving our VBS fully into the hands of God Who has the ability and power to turn something into an amazing opportunity. Just imagine how much good can come from these lessons this week. We are fully focusing on God, His ability, and His power. Can you imagine how much these lessons can change our lives and the lives of those who come and listen? Let's pray about it!

Make sure you come each night - Like I said earlier, if you want to change your life for the better, we need to make it each night. It is kind of hard to apply something that you have never heard. At the same time, when you are here, you encourage those who are here as well. To be a participant in something that the congregation that you are a member of is doing, shows involvement in the efforts they are trying to do. This is key to being a member of a congregation.

Ask your friends and neighbors to come - We are trying to reach the lost with the saving Gospel of Jesus Christ. What better time to invite them than to a made-opportunity created to reach the area. This is an event that has classes for all ages and can change their lives in the most dramatic ways that lead to a better life now and into eternity.

Apply the lessons to your life and then help others apply it to their lives - When you hear these lessons, apply them to your life so that you will be professing these truths with your life rather than just a hearer and recipient. We can show the world around us that God is BIG and powerful to handle and provide anything that we need.

Will you make this VBS a successful one?

Please keep Cody Sherman and his four young children in your prayers. Last Sunday, they were involved in a terrible boat accident and the wife/mother fell off the boat and drowned. Their youngest son is in critical condition. (This is a family in Alabama that the Garland's know)

Faye Kirschenman is now on hospice. Please keep her family in your prayers.

Gene Ruark will be having shoulder surgery on June 27th.

Prayers are requested for David Moore's sister (Alice Moore) in Connecticut. She is in the hospital and is not conscious. She has been taking treatments for a blood disorder, but they don't know what is causing her illness yet. David is heading to CT to see family. Pray for safe travels.

Doris Cooper had her heart shocked back into rhythm. Everything seems fine right now. They are hoping it holds and fixes her issue. Keep her and Carl in your prayers.
