## TEACHERS SELECTED

The Elders of Warner's Chapel ask as many of the members as would, and especially the teachers in the Sunday Morning Bible school, the assistant teachers, and all former teachers to meet with them after services Sunday Jan. 20. The purpose of this meeting was to select new teachers for the year 1946.

The present teachers have taught in the Sunday morning Bible classes at Warner's Chapel from 6 to 12 years. These teachers have performed their duties well and have rendered a real service for which we are indebted and grateful.

The following teachers and assistant teachers were selected:

CLASS	TEACHER	ASSISTANT
Bible	H. B. Warner	E. L. Harper
Senior	W. Park Messick	A. P. Warner
Y. Men	James Harper	Miller Cartwright
Y. Women	Mrs. H.B. Warner	Mrs. H. Landreth
Elementary	Pauline Messick	Gladys Harper
Primary	Virginia Warner	Mrs. T.L. Moser
Beginners	Mrs. Geo. Harper	Mrs. D.F. Messick

Another meeting was called for Sunday Jan. 27, for the purpose of reclassifying the students in the Bible classes according to age and grade in public school.

## TRUE WORSHIP

### "GIVING"

Thus far in our study of True Worship, we have studied Singing, The Lord's Supper, and Gospel Preaching. We would like now to study GIVING as it affects our worship.

We are aware of the fact that the subject of giving is not as popular as that of singing, The Lord's Supper, or Gospel Preaching. For some reason the members of the church are not as zealous about the teaching of the New Testament being turned full force on the subject of giving as on baptism, the Lord's Supper, or acceptable music. Even if this condition does prevail it is the duty of the church and of every Gospel preacher to teach just what the New Testament teaches on this subject.

Perhaps if we would give some thought to the reasons for our giving, we would be more willing to accept the scriptural teaching on this subject as we have on other subjects. When a person is convinced of the reason for scriptural baptism he will accept it. When he is convinced of the reasons for partaking of the Lord's Supper every first day of the week he will accept that. Surely if we could only understand all the reasons for our giving we would be willing to accept this also.

We should give for our own personal good. No one loves to always receive and never be able to give. No one can develop into a worthwhile person without developing the true spirit of giving. It makes a person happy to be able to give. It is more blessed to give than to receive.

It is brotherly to give. There is always those who are less fortunate and stand in need of help. We are our brother's keeper. The church is to minister to the needy. This can be done only when we as members of the church give. "But whose hath this world's good, and seeth his brother have need, and shutteth up his bowels of compassion from him how dwelleth the love of God in him?" I John 3:17.

It is godly to give. God gave His Son as a free gift to man. Christ gave his life as a ransom for man. These glad tidings must be carried to all the people of the world. This of necessity cost. This cost must be met by our giving. God commands that we give as we are prospered. How can we obey God and not give?
