## GETTING BACK UP

**"The difference between success and failure is the ability to get back up one more time than you fall down."**

**The Bible is full of stories of men and women who were facing great adversity yet persevered and overcame obstacles that were placed before them.**

**Moses had an interrupted childhood and lived most of his early life as a foster child. Some might have observed that he had a strong temper, speech impediment and had killed a man and God still wanted to use him to free the Israelites. Though Moses was reluctant at first, God persuaded him to do His will.**

**Joshua had been one of the twelve spies who had seen the Promised Land but was outvoted. As a result, he and the other Israelites wandered for forty years. It surely was a tough existence for Joshua to live among cowards for a very long time. They did not share his belief that, with God supporting their efforts, they could conquer the Canaanites. He could have given up but was willing to do what God wanted him to do.**

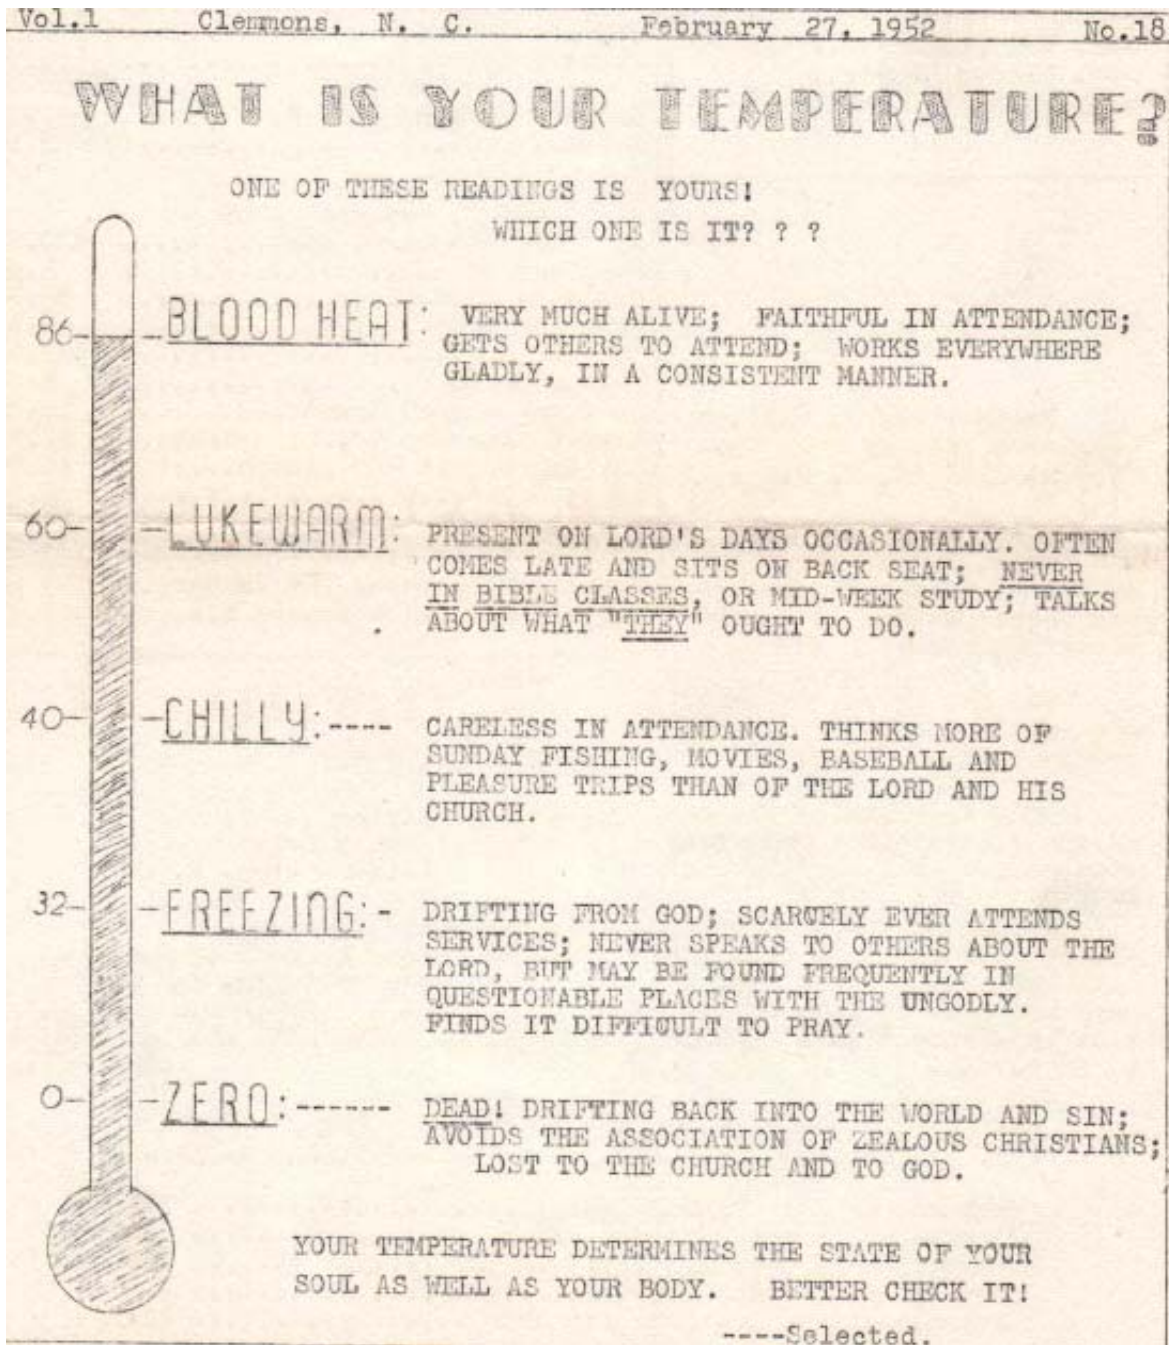

**Peter was not the best example, in the eyes of those around him, of a man whom Jesus would trust to have the Keys to the Kingdom. His lack of faith caused him to sink into the waters that he had been walking on and later denied Jesus three times out of cowardice. In the hour that Jesus needed him most he was not to be counted on. Peter could have easily seen himself as a worthless failure, yet stood proudly proclaiming the majesty of Jesus on the Day of Pentecost.**

**No matter what you have done or what sins you have committed you are only a failure if you don't get up and try again.**

**Paul**

## ELDERS CORNER:

As we noted last week, there was a focus on “temperature” in many Warners Chapel bulletins and this is another great example from February 1952.
