LETTERS RECEIVED

We have recently received word from several who are receiving the weekly bulletin from Warner's Chapel church of Christ.

June 28, 1945

Warner's Chapel
Church of Christ,

Just a few lines to let you know that I have been receiving the pamphlets you have been sending me. I am sorry that I have not written before now.

I have been receiving the pamphlets every week. I enjoy reading them and learning how things are going there. I want to thank you for sending them to me. I hope it won't be long till I and the rest of the men over here and in the other war will soon be home, and can go to church and worship like we should.

So I want to thank you again for the papers and hope to keep getting them.

Sincerely Yours

Pfc. Johnny A. Ridings

A fine letter was received from Werth D. Craft, H.A. 2/c. U.S.N. Hosp. Staff, Fort Eustis Va., in which he said;

I just want to thank you for sending me your church paper. I sure appreciate it. It

the world.

I am now stationed in a hospital here in Va.. It is still too far away to get home. I am going to need the prayers of all the good christian people to stand up under the trials I will have here.

Pfc. Charlie E. Shouse, U.S.M.C., writes that he is receiving the bulletins regularly and appreciates them very much. He also said that he hopes to be at home and to visit us at Warner's Chapel in September.

Bro. Will Watkins sent word that he is receiving the bulletins and enjoys them very much and wants to continue to receive them.

Bro. Watkins sent a donation to the church with the request to continue publishing the weekly bulletins and mailing them out.

These letters are a source of encouragement to us and we appreciate them very much. It is our prayerful desire that through the weekly bulletins Warner's Chapel Church can render a service to God and his people everywhere this little bulletin goes.

THE SICK

Mrs. Lillie B. Warner has been on the sick list for several weeks. We are glad to report that she is much improved.

Miss Bertha Warner is also on the sick list. She is improving at the time of this writing.
