A CORDIAL WELCOME AWAITS YOU

NOVEMBER 8, 2015

“Today Is the First Day!”

Well, here we are! Today's the day! Our Gospel Meeting with David Powell begins today. I'm sure the attendance will be what it should be with the exceptions of those that are physically sick and those that are spiritually sick. I'm sure that the speaker has prepared to do his best to deliver messages that are of great spiritual benefit to those who are physically sick and those that are spiritually sick.

I'm sure that those who are physically sick will regret not being there but will gladly watch and listen via the internet. I hope those who are spiritually sick will watch and listen as well. As for those who are spiritually well; I'm sure they will be here to be spiritually fed.

Think about all the preparation that went in to making this event take place. Brother Powell has done his part in preparing the lessons. The elders have done their part in planning the time for the Gospel Meeting. The preacher has done his part in exhorting the congregation to support the meeting.

So the question remains: will you and I do our part? There will be messages from God's Word five days this week. We will have the opportunity to hear things from God to us.

Five days! They begin today. Today is the first day!

Frank
