“WARNERS CHAPEL SENIOR RALLY”

The freedom to choose has always been a cherished “right” with all people. There are the “little things” we make choices about that really don’t matter to anyone else. That would be things like how we eat our steak or chicken. Even whether we eat steak or chicken is “our choice.” What kind of car we drive, when to “sleep in”, what we watch on television, and how late we stay up are all choices we make for ourselves.

One thing we don’t get to choose is whether or not to age.” It’s interesting how; when we’re young we can’t wait to get older. Then, when we are older we wish we could be as energetic and sharp-minded as we were when we were young. So, going through our minds at this point might be the phrase, “You’re as young as you think.” Or maybe another phrase might be, “It may not be as high as it once was, but I’m still kicking!”

Those phrases, or rather the thought contained in them involves the idea, “I can still choose.” If you are fifty or over, will you choose to be somewhere else on Saturday morning (May 17th) from 9:00 a.m. to noon, or will you choose to be at the Warners Chapel Senior Rally?

The Elders Corner:

I NEVER INTENDED TO QUIT

By Gus Nichols (Deceased)

A man who had not attended one service of the church in four years told me he had never thought of “quitting” the church. I reminded him that he had:

- 1. Withdrawn his presence from the services**
- 2. He had refused to give his moral support to the activities of the congregation.**
- 3. He had withdrawn his financial support, for he had not given one time to help carry on the Lord’s work.**

Then I asked: “What else would you have to do in order to **“quit”** the church? In case you ever decide that you no longer desire to be a member, what other steps will be necessary to **“quit”** the church?”

As the true status dawned upon him, his expression reflected his sober thought: He replied, “why Brother Nichols, I’ve already quit, haven’t I? Well, I surely didn’t mean to! And I don’t know when I quit ... I’m coming back.” He did too. At the next service, he was restored and three years later he is still faithful.

Dear Reader, how about you? Have you quit the Lord and His church without resolving to do so? Perhaps no one deliberately decides to quit, but many carelessly drift into backsliding.

If you quit attending service, quit boosting the program of activities planned by the elders and quit giving as God has prospered you to enable the congregation to meet its budget, you need to be restored.
