A CORDIAL WELCOME AWAITS YOU

USING OUR TIME WISELY

One of the smartest things a person can do is take a course in “Time management,” and learn to use the time allotted to them wisely.

We have to be careful how we spend the time that God gives us each day. If we are not careful, others will plan our time (life) for us.

Illustration A wife felt that her husband was not spending his time wisely, watching the ball game on television. He thought differently. She said, “I think you should talk to me while I sew.” He said, “Why don't you sew to me while I watch the ball game?”

We can all be thankful that we live in an age when we can wear a wrist watch to help us know what time it is. Your computer, Ipad or phone can also tell you the exact time.

Illustration Did you hear about the man who was proudly showing off his new apartment to friends late one night? He said, “Did you know that I have a talking clock?” He showed them a large hammer against the wall, and the friend said, “How does it tell time?” He picked the hammer up and hit the wall with several blows, and a voice from the other side said, “KNOCK IT OFF, YOU IDIOT! It's two AM in the morning!”

All of us need to be TIME CONSCIOUS and give more time to the Lord!

Paul
