## **Thankfulness and A Request**

We are about to begin our third year of renewed operation at NCSBS. I cannot thank all of you enough for the constant acceptance and encouragement that you have been to Teresa and I since we have moved here. Not only have you been encouraging with your words, but many of you have also encouraged us by taking the regular school classes and the ladies' classes. By the way, a new lady's class will be starting in September. We will announce more about that very soon.

We love this congregation and believe it is an outstanding group from which to send forth gospel preachers into the world. I have discovered that we need to call upon you for more than just your words of encouragement.

We find ourselves in need of a S.S.S. Group. This will be the “School’s Super Servants Group.” From time to time, we will be planning events, mailing out school information to congregations, making bulletin boards, and many other things in which we could use your help. If you would enjoy working behind the scenes to encourage the men who plan to spread the Word to the world – we need your help. Everyone will not be able to help with everything. But if you can help from time to time, that can go a long way in the service of training preachers. We are calling all men, ladies and teens - anyone who can give a helping hand. There is a sign-up sheet in the foyer. Please give your name, phone number & email address for purposes of contact. Watch and listen for announcements calling on the S.S.S. Group! We look forward to working together to develop preachers.
