A CORDIAL WELCOME AWAITS YOU

November 23, 2008

THANKSGIVING

Thanksgiving is a time when families gather around a large table filled with savories and sweets; there are also warm feelings of togetherness and love for one another. The greatest gift that we can be thankful for is the gift of God the Father, who gave His only begotten Son.

Never was there a more selfless and giving spirit than the attitude that Jesus had. He gladly offered His life as the sacrifice that was needed to spare us eternal damnation. You see, He took our sins upon Himself and was offered like the lamb of sacrifice seen in the Old Testament—the offering for sin.

It is sad that there are many in the world who will never take advantage of the greatest gift offered to all mankind—salvation, eternal life. Matthew 7:13-14 says,

“Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. Because narrow is the gate and difficult is the way which leads to life, and there are few who find it.”

We should be thankful for all the material and spiritual blessings that God bestows upon His children. Most of all, we should always be thankful that we found the “way which leads to life.” Share this knowledge during this holiday season, so that many more can be thankful.

—Paul

ELDER'S CORNER:

5th Sunday Contribution

November 30, 2008 is the last 5th Sunday of this year. The 5th Sunday contributions are designated to go into the building fund or some work that needs financial help that has not been budgeted for adequately. From time to time requests come our way that the elders feel Warners members would like to have a part in. The elders have decided that the November 30th contribution will be used for evangelism and mission work.

Among the works we want to help from this contribution are:

1. GBN (Gospel Broadcasting Network) This is the work that brother Jim Dearman, who held our meeting in October told us about. You can learn more about this work at www.gbntv.org.

2. We want to purchase a satellite to install at the school so the GBN programming can be available to the students and others. (approx. \$500.00)

3. We want to help the Seaside Church of Christ on the Outer Banks by giving money toward a building on land they own. This is a mission work in a resort area. They are presently meeting in a house and paying more in rent than the payments would be on their own building. You can find more about this work at www.seasidechurchofchrist.com

The amount we give each of these works will depend on how much is given by you on the 5th Sunday.
