Defending The Truth Against False Teaching? #2

Service Times

Last week we looked at reasons why God is against false teaching, but today we are going to start our discussion on why we are called to defend the truth. Today I want us to focus on the reason for defending the truth and that is **because of the facts.**

Sunday AM Bible Study
10AM

We need to realize that it is only the truth that will set us free. **John 8:32** states *“And you shall know the truth, and the truth shall make you free.”* There is no other truth that is out there (religiously) if it is not, in accordance with, God's word. If we want to have salvation we have to go by the truth. Man cannot save man because he is equal with man and therefore his words are equal to man. We have to have the words of God who is above man, who is the Creator of man, and on top of that, the One who has made Heaven, the place of which we are trying to enter for all eternity. And since this is the case, we have to listen to His instructions to enter into His eternal life so that we can be with Him for all eternity. **Jeremiah 10:23** states *“O Lord, I know the way of man is not in himself; It is not in man who walks to direct his own steps.”* We also read in **Psalms 119:105**, *“Your word is a lamp to my feet And a light to my path.”* These passages teach very plainly that the way of guidance is not in ourselves but only through the words of God. If we want to have any chance of ever going to heaven and being saved, we have to listen to God's word. This is why we read in **John 14:6** *“Jesus said to him, “I am the way, the truth, and the life. No one comes to the Father except through Me.”* This is why we read that Peter said in **Acts 4:12** *“Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved.”*

...Continued on page 2

The words that Jesus spoke are what give us life and hope for the hereafter. God chose the message to be the saving power for mankind (Rom. 1:16). Since this is the case, we have to be willing to open up our ears, open up our hearts, and give attention to the words that have been given to us to reach our Heavenly home. If we ever want to help others and get them to heaven, we have to bring them the truth! There is no if, and, or buts about it. The Truth of God's word is the only thing that will lead them, and us, there.
