A CORDIAL WELCOME AWAITS YOU

IN MEMORIUM

“Memorial Day, originally called Decoration Day, is a day of remembrance for those who have died in service of the United States of America. Over two dozen cities and towns claim to be the birthplace of Memorial Day. While Waterloo N.Y. was officially declared the birthplace of Memorial Day by President Lyndon Johnson in May 1966, it’s difficult to prove conclusively the origins of the day.

Regardless of the exact date or location of its origins, one thing is clear – Memorial Day was borne out of the Civil War and a desire to honor our dead. It was officially proclaimed on 5 May 1868 by General John Logan, national commander of the Grand Army of the Republic, in his General Order No. 11. “The 30th of May, 1868, is designated for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village and hamlet churchyard in the land,” he proclaimed. The date of Decoration Day, as he called it, was chosen because it wasn’t the anniversary of any particular battle.” (USMemorialday.org)

Every first day of the week is a “memorial day” for those who gather together to memorialize the death, burial and resurrection of our Lord Jesus the Christ. The Lord’s Supper was instituted at the Passover meal which was itself a memorial of the salvation of Israel by the God of Heaven from the last plague of Egypt, i.e., the death of the firstborn. Their meal was to be a quick one, e.g., unleavened bread, grape juice, etc. The next day they were to depart from Egypt and make their way to the Promised Land. From this meal, Jesus took bread and fruit of the vine and created a new “memorial,” one based on his body and blood.

The Lord’s Supper can have no “real” meaning for one who would partake of the bread and fruit of the vine unless one is a disciple of Jesus. Let us remember Him every day with our service and sacrifice.

The Elders Corner:

A GLOBAL EPIDEMIC

By Neal Pollard

MERS is the latest pathogen to seize the world's attention, and this middle-eastern sprung virus, having a 30% mortality rate, is cause for some concern. Yet it is the latest in a long line of alarming diseases that have struck fear in people—AIDS, Asian Flu, Spanish Flu, smallpox, bubonic plague, and leprosy, just to name a few. Whether the horrific presentation, swift action, or painfulness of these conditions, just the names of these diseases raise the shudders of those informed about how deadly they are. An ailment that commonly brings about mortality gets our attention.

Sin, however, often does its work on the individual without the dramatic presentation and many times in a way that feels painless to the “sufferer” until it is too late. But, nothing is deadlier or more serious. That is why God made it a prominent subject in the only book He ever wrote. He identifies it in its every form, reveals the symptoms, warns of the potentially deadliness of it, and provides the cure.

The majority do not recognize it for what it is, they incorrectly identify it, offer the wrong cures for it, and a great many just ignore what it is doing to them. They call it by other names, thinking that by doing that they are eradicating it from themselves. While that may numb them through this life, it will not serve them well in eternity.

Variously, the Bible says “sin is exceedingly grave” (Gen. 18:20), “sin is unhealthy” (Psa. 38:3), “sin is a disgrace” (Prov. 14:34), “sin brings guilt” (Mark 3:29), “sin brings spiritual death” (Rom. 6:23; Jas. 1:15), “sin enslaves” (Rom. 7:14,23), “sin is deceitful” (Heb. 3:13), “sin entangles” (Heb. 12:1), “sin is lawless-ness” (I John 3:4), “sin is of the devil” (I John 3:8), and “sin is unrighteousness” (I John 5:17). Yet, despite this, we know “fools mock at sin” (Prov. 14:9). A vicious disease is at work in them and, unresolved and untreated, it will lead them to eternal pain, but because it afflicts the unseen part of a person they cannot see the damage to their souls. They often see its effects in their own lives and in others’.

That’s when Christians come in, Physician’s assistants for the Great Healer. We are to get healing to as many as are willing to take the cure. We may be treated hostilely by some of those eternally ill, but we must risk sharing it for their good. We face a terrible epidemic but we have a cure that is 100% effective when properly applied!
