## ON THE ROAD AGAIN...

It was good to travel to Henderson, TN in order to represent the school at the Freed-Hardeman Lectures. I had missed last year due to illness. I did not know at the time that this was probably early symptoms of the Cancer. We have secured a good spot that is very visible and many Lectureship attendees viewed our display.

Monday brought a substantial physical challenge that included the standing and talking with friends and acquaintances; in addition to the walking to and from various buildings where lectures were being held. My health is good but I still have some problems that arise inconveniently.

I am looking forward to visiting churches in the coming months to introduce them to the work here in hopes of recruiting students and to invite them to share in our work financially. One hundred percent of their help goes to student support. If we had more student support, we could expect to see a rise in enrollment. With the economy as weak as it is, some are reluctant to leave jobs to study to be a preacher. Pray for us.

## FREEDOM IN CHRIST

As this article is written, there are men and women around the world that are fighting to maintain the freedom that this country enjoys and many times abuses or takes for granted.

This country was founded on religious freedom. Those initial settlers came here to escape the tyranny and oppression of state-directed religion. It was in the minds of the framers of the Constitution that this nation would formulate laws to maintain this separation and that would promote freedom of religion, not freedom from religion. Those in the ACLU seem to have an agenda to manipulate the laws to eradicate our participation, in any form, that involves religious acts or holding and sharing views of religion.

Jesus guaranteed freedom from the bondage of sin. “Then said Jesus to those Jews which believed on him. If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free” (John 8:31-32). Paul said that we should “stand fast, therefore in the liberty wherewith Christ hath made us free” (Galatians 5:1).

Though we know that we have liberty in Christ, that does not give us license to do whatever we want to do. The epistles of the New Testament are not a collection of “love letters,” they are a collection of letters that instructed the early church and provided corrections for existing problems. As such, they still remain just as authoritative and binding in the Twenty-First Century. These spiritual freedoms are still worth fighting for.

### Gentle With Opposition

*"And a servant of the Lord must not quarrel but be gentle to all, able to teach, patient, in humility correcting those who are in opposition, if God perhaps will grant them repentance, so that they may know the truth, and that they may come to their senses and escape the snare of the devil, having been taken captive by him to do his will."*

II Timothy 2:24-26 (NKJV)
