Rom. 16:16

THE ILL

Bro. George Harper missed last Lord's Day because of being sick. Sis. Walter Harper is recovering from the flu. Sis. Helen Warner was back at worship last Sunday. Sis. Will Harper is still confined to her bed.

An epidemic of colds seems to be sweeping the congregation. This writer, at least, can sympathize with you...he has one too.

JOHNSON ANNOUNCES RESIGNATION

Bro. Johnson announced at the close of the worship service last Lord's Day morning that he wished to be relieved of his duties here December 31st. An announcement as to where he will go will be made later.

BUSINESS MEETING

The business meeting, which was not held last Lord's Day, will be held this coming Sunday. So make your plans now to attend.

WANTED: A WORKER

God never goes to the lazy or the idle when he needs men for his service. When God wants a worker, he calls a worker; when he has work to be done, he goes to those already at work; when God wants a good servant, he calls a busy man; Scripture and history attest to that fact.

Moses was busy with his flocks at Horeb.

Gideon was busy threshing wheat by the wine press.

Saul was busy searching for his father's lost beasts.

Elisha was busy plowing with twelve yoke of oxen.

David was busy caring for his father's sheep.

Nehemiah was busy bearing the king's wine cup.

Amos was busy following the flock.

Peter and Andrew were busy casting a net into the sea.

James and John were busy mending nets.

Matthew was busy collecting customs.

THE CHRISTIAN'S PLEASURES

The following suggestion, it is believed, will help serve as guideposts in your search for the best sources of amusement and recreation....for some amusement and recreation is necessary to the fully rounded life:

1. Is it wrong within itself?
2. Does it hurt me physically, mentally, spiritually?
3. Does it hurt my influence for Christ?
4. Is it for the best? Is it the most effective way in which to expend my time, energy and money?
5. Does it recreate or destroy?
6. Does it dull my appetite for spiritual things?
7. Does it become a vicious time consuming, attention-engrossing habit?

Cont'd. on next page.....

8. Approach it from the positive side. Do not merely ask: Is there any harm in it; also ask: Is it good for me?
