“Family Ties”

“... I write so that you may know how you ought to conduct yourself in the house of God , which is the church of the living God , the pillar and ground of the truth.” (1 Timothy 3:15) There are certain human experiences which are used to describe the nature of the church: 1) the family; 2) agricultural activities; 3) construction work.

This article is written around the idea of family imagery. We’ll begin with the word “house.” In the Greek language this word refers not only to the dwelling place, but also to those who dwell in the building. Perhaps a more familiar word we could use is the word “family.” So, saying the “house of God” is the same as saying, “the family of God” in 1 Timothy 3:15.

Again in 1 Peter 4:17, the “house” is “us.” “For the time has come for judgment to begin at the house of God: and if it begins with us first, what will be the end of those who do not obey the gospel of God?” So we could read that this way: “For the time has come for judgment to begin at the family of God, and if it begins with us...”

During this time of year families gather together for various reasons, but one is to strengthen or renew those family ties. As we do so, we need to also remember that we are also supposed to strengthen and renew our spiritual family ties as well.

ELDERS CORNER:

As 2010 quickly comes to an end, we are attempting to put together a new work plan. In doing this, **WE NEED YOUR HELP.** We ask each family to list the Birthdate of **ALL** of your family members. In addition to having your names in the work book, we will use these dates to prepare a month to month Birthday list for all of our families. If you do not do this, your Birthday's will not be listed. Also, if you want to share your email address write it beside your name in the workbook while you are checking your current phone number and address that is listed. If there needs to be any corrections made please make the correction beside your entry in the workbook.

We are working on a new pictorial directory that is going to be published for Warners Chapel. The photos will be taken in the Annex on January 6,7, & 8 2011. The schedule sheets for the photos are in the foyer. Be sure to set your appointment ASAP so you can have your picture taken. The company that is doing the set up and publishing of the directory has requested that they make all of the photos that are going to be used in the directory. So, let's all participate in this new directory and get signed up for your pictures.
