A CORDIAL WELCOME AWAITS YOU

September 12, 2010

“WOULD JESUS ACCEPT YOUR FRIEND REQUEST?”

“Facebook is a social networking website that was originally designed for college students, but is now open to anyone 13 years of age or older. Facebook users can create and customize their own profiles with photos, videos, and information about themselves. Friends can browse the profiles of other friends and write messages on their pages.”
TechTerms.com

A key word here is “friends.” Although not all generations are familiar with Facebook, all generations are familiar with the need for friends; especially the kind that want to go to heaven and want you to go too. The One Friend who will never let you down on that aspect of life is Jesus Christ. Because He is who He is, He will never let you down on any other aspect of life either.

The older generations have some difficulty imagining a phone that does video, pictures, email, web-browsing and texting. The younger generations have some difficulty imagining a phone that doesn’t. Both generations, however, do understand the importance of saying and doing those things of which Jesus would accept.

Look around the auditorium this morning and see how many there are who have come together to bring to God what Jesus accepts. Hearts that are offered in humility and worship that is offered in spirit and in truth, Would Jesus accept your friend request?

—Frank

ELDERS CORNER:

I C A N ' T

People who can't attend Bible class and worship on Sunday because it's cloudy or raining, get out on rainy week days and to work, but that's different, they say!

People who felt good enough to work on Saturday, and feel good enough to work on Monday, just didn't feel like getting out for Bible class and worship on Sunday, they say!

People who can't get out in the evenings to attend worship, midweek Bible study, or to visit church friends or the sick, forget that they can get out in the evenings when a ballgame is being played or go to a movie. That's different they say!

How inconsistent we are! If we love the Lord we will be at all the services if we are really able and find time to do the Lord's work. **WE FIND THE TIME AND POWER TO DO THE THINGS WE WANT TO DO.** --selected

HOW IS IT WITH YOU?

There are some who are faithful,
There are some who are true;
There are some who are watchful,
Brother how is it with you?

There are some who are workers,
There are some who never do:
There are some who are shirkers,
Brother how is it with you?

There are some who are quitters,
There are some who will pursue;
There are some who are sitters,
Brother how is it with you?

There will be some rejected,
There will be some He will refuse
There will be some accepted
Brother how is it with you? --M.M. Smith
