THE HOUSE

Plans were approved last Sunday. As you will be contacted this week, if you were not last week, concerning these plans, we do not deem it necessary to say much about it just now, other than that it is a 7 room, Cape Cod brick veneer.

THE MAILING LIST

For the bulletin is being revised. If you have a name you wish to be added, please contact one of the editors or assistants. We wish for the bulletin to be of as much service as possible. This can be done only with your help.

THE ATTENDANCE

Last Lord's day was off a bit from the preceeding Sunday. We do not, of course, like to see ourselves going backwards; so let's see if we can't do a little better tonight and from now on. There were 126 at the morning service and 62 at the evening service one week ago. Do you suppose we will have more than 62 tonight?

"SHOULD THE PREACHER HAVE A SALARY?" Tonight 7:30.

BRO. R. H. NOSER

Has taken unto himself a wife. We hope for them many happy days in the future. His daughter, Lois Jean, was married last week. We wish for her and her husband happiness, too.

LAST WEEK

The church here sent \$25.00 each to the Durham and Winston-Salem building funds. We would, of course, liked to have sent them more, but under the circumstances this amount was deemed sufficient.

"SHOULD THE PREACHER HAVE A SALARY?"

Will be the topic for discussion tonight. We hope you will be here and bring a friend. We want this sermon to do as much good as possible; and the more who are present the more good it will do. What about occupying a pew tonight?

ON WHAT ARE YOU BUILDING???

On what are you building, my brother,
Your hopes of an eternal home?
Is it loose, shifting sand, or the firm, solid
You are trusting for ages to come? (rock,

Hearing and doing, we build on the Rock;
Hearing alone, we build on the sand;
Both will be tried by the storm and flood;
Only the rock the trial will stand.

....H.R. Trickett.

...COME TONIGHT...

NEXT LORD'S DAY

Morning, the Lord willing, Bro. Johnson will speak on the subject, "The All Sufficiency of the Word". We hope you will determine in your heart this very moment to attend this service. 'Come thou with us and we will do thee good'.

LESSON FOUR

In our mid-week class concerning the Church is entitled "Its Establishment". We pray that you will let next Wednesday night be the beginning of your Wednesday evening attendance. The books for this course arrived this last week. What about getting a book from Bro. Johnson and coming January 28th at 7:30 p.m.?

ITS WORK!

While the Jews were rejecting the easy yoke of Christ, they were painfully observing days and months and times and years. Superstition has far more labour to perform than true religion has; and at last profits nothing! Most men, either from false views of religion or through the power and prevalency of their own evil passions and habits, have ten thousand times more trouble to get to hell, than the followers of God have to get to heaven.

.....Adam Clarke on Gal. 4.

TWO MORE

Of our members are to be married this week. They are: Glenn Elam, who was recently baptized, and Virginia Warner. But, more about this one week from now.
