

# WARNERS CHAPEL MESSENGER

CLEMONS, N. C.

OCTOBER 1953

Yes, vacation time is over and all of the children are rushed off to school. You make great preparation for this and go to considerable expense to make things the best for them. How much preparation and expense is on your part to get your child to Bible classes? Which is the most important???

SUPPOSE

Suppose every other member of the Church were just like me. What kind of a Church would Warners Chapel be???

YOU SHOULD ATTEND BIBLE STUDY

1. The Bible study is the church laboring to teach the Word of God to all ages. Will you not help us in this worthy work?
2. About 80% of those who are converted, have been enrolled in Bible school. That means that many of those who are baptized learn a great deal from public Bible study. Will you not be a soul-winner?
3. Those who came into the church through the Bible study prove to be much more faithful than those who came in without such training. Will you not contribute to this faithfulness of the church?
4. The Bible study provides the best taught material for the well-trained church of tomorrow. Will you not assist in making the church of tomorrow what it should be?
5. Bible study is insurance against juvenile crime.
