A CORDIAL WELCOME AWAITS YOU

September 6, 2009

WONDERS!

A group of students were asked to list what they thought were the present Seven Wonders of the world. Though there were some disagreements, the following got the most votes:

- | | |
|---------------------------|--------------------------|
| 1. Egypt's Great Pyramids | 4. Panama Canal |
| 2. Taj Mahal | 5. Empire State Building |
| 3. Grand Canyon | 6. St. Peter's Basilica |
| 7. China's Great Wall | |

While gathering the votes, the teacher noted that one quiet student hadn't turned in her paper yet. So she asked the girl if she was having trouble with her list. The girl replied, "Yes, a little. I couldn't quite make up my mind because there were so many." The teacher said, "Well, tell us what you have, and maybe we can help." The girl hesitated, then read, "I think the Seven Wonders of the World are...she hesitated a little, and then added:

- | | |
|-------------|-------------|
| 1. To touch | 4. To hear |
| 2. To taste | 5. To feel |
| 3. To see | 6. To laugh |
| 7. To love | |

The room was so full of silence you could hear a pin drop. Those things we overlook as simple and "ordinary" are truly wondrous. This is a gentle reminder that the most precious things in life are not found all over the world, but within ourselves. "Let the word of Christ dwell in you richly..." (Col. 3:16).

ELDERS CORNER:

Clarification

There may have been some misunderstanding concerning the Saturday evening activities at this year's Youth Rally. It was stated in announcements that the Annex and bathrooms would be locked after the meal. This was a miscommunication and we need to correct it.

The problem in the past was that kids after getting wet on the slip and slide were running in and out of the annex dripping water on the floor as they went. This caused a safety problem from slick floors and possible damage to the floor.

In order to address this problem, we are going to use lumber we have on hand to build two change areas, (one for boys and one for girls).

After eating supper the kids will be told to use the restrooms before getting wet. Once they are wet, they must change and/or dry off before entering the building to use restrooms. (This is the reason we are requesting people to bring old towels.) Also participants will be required to bring a change of clothing.

Each change area will be monitored by adults and will be dismantled Saturday night after activities.

This arrangement should also reduce the problem of wet kids going home with members for the night.
