## **"Unshakable Confidence"**

Victor Vroom has devised what is called the "expectancy theory." He maintains that people are motivated when four contingencies are met. First, they must believe that the reward being offered for a particular behavior is worth the effort to get it. Second, they must be confident of their ability to perform the required task. Third, they must be convinced that accomplishing that task is possible in the present set of circumstances. Finally, they must be certain that the one who made the promise is credible and will keep the promise.

Translation? The apostle Paul wrote, "For this reason I also suffer these things; nevertheless I am not ashamed, for I know whom I have believed and am persuaded that He is able to keep what I have committed to Him until that day." 2 Tim.1:12. Paul had an unshakable confidence in Christ's promises of eternal life; so much so that He accepted the hardships of preaching the gospel.

Some might ask, "How could Paul be so certain?" Paul wondered, "How could anyone know Christ and be uncertain?" Would you like to gain that "unshakable confidence? Come learn how to do just that with us at the Warner's Chapel church of Christ where the the gospel of Jesus Christ is preached.

## ELDER'S CORNER:

### 5th Sunday Contribution

November 30, 2008 is the last 5th. Sunday of this year. The 5th. Sunday contributions are designated to go into the building fund or some work that needs financial help that has not been budgeted for adequately. From time to time requests come our way that the elders feel Warners members would like to have a part in. The elders have decided that the November 30th. contribution will be used for evangelism and mission work.

Among the works we want to help from this contribution are:

1. GBN (Gospel Broadcasting Network) This is the work that brother Jim Dearman, who held our meeting in October told us about. You can learn more about this work at [www.gbntv.org](http://www.gbntv.org) .

2. We want to purchase a satellite to install at the school so the GBN programming can be available to the students and others. (approx. \$500.00)

3. We want to help the Seaside Church of Christ on the outer banks by giving money toward a building on land they own. This is a mission work in a resort area. They are presently meeting in a house and paying more in rent than the payments would be on their own building. You can find more about this work at [www.seasidechurchofchrist.com](http://www.seasidechurchofchrist.com)

The amount we give each of these works will depend on how much is given by you on the 5th Sunday.

## Presidential Wisdom:

"There are men and women who make the world better just by being the kind of people they are. They have the gift of kindness or courage or loyalty or integrity. It really matters very little whether they are behind the wheel of a truck or running a business or bringing up a family. They teach the truth by living it." - *James A. Garfield, 20th U.S. President.*
