## **A PERVERSE GENERATION**

Another innocent is cut down in the prime of her life. Kathryn Steinle was shot and killed by an illegal alien who should not have been in this country. She is a victim of cultural and political Liberalism.

America is shaking and tottering on its foundation. The words patriotism, loyalty, honesty, work, truth and sacrifice, have been all but removed from our vocabulary. Terms such as "a man's word is his bond," "an honest day's work for an honest day's pay," "honesty is the best policy" are no longer part of our philosophy of ethics.

There is an agenda of destruction abroad in our land and throughout the world. This planned program is designed to destroy existing standards of morality, religion and politics. Anarchy is the end.

It is difficult to identify and label the many social, religious and political movements of our day! Are they related? Does one grow out of the other? All these movements begin to be understood and their relationship to one another is clearly seen when they are identified by the word—LIBERALISM.

The philosophy of Liberalism is to shake and destroy the foundation of any and all systems; to overthrow the existing order of things. Liberalism assumes that whatever has been the norm, is wrong and must be changed or destroyed. Liberalism refuses to recognize a standard of authority. It will not approve those principles which have been tested by time and experience. Liberalism seeks to make a junkyard out of the richest culture and grandest civilization ever known to man. What do they offer in its place?

In the social realm, liberalism offers chaos, crime and confusion. They seek a society which knows no law of right and wrong, no restraint and a so-called freedom from all moral and social obligations. In this society the rapist, murderer, drug addict and incorrigible criminal have a free and protected interaction with the world.

The Liberal has made his impression in the political functions of our land. His influence is recognized in civil courts which freely pardon or reverse convictions from lower courts, known, confessed and active criminals. Judicial legislation is being promoted by our Supreme Court as we speak.

Law enforcement agencies find it more and more difficult to arrest and convict the criminal.

In this century Protestantism has ceased to protest error, complacency has replaced consecration and religious ignorance now stands where Bible scholars once stood. The Liberal regards the Bible as a book of myths.

"Jesus answered and said, O faithless and perverse generation, how long shall I be with you? How long shall I suffer you?" (Matthew 1:17)

Paul

# WHY DON'T YOU COME SUNDAY NIGHT?

While Franklin D. Roosevelt was President, a lady is said to have called the rector of the church where he worshiped and asked:

"Is President Roosevelt going to church there today?"

The rector replied: "I just do not know whether Mr. Roosevelt is planning to attend here or not, Madam. But we are hoping that Jesus Christ will be here, and we feel that he will be sufficient to attract a sizeable audience!"

I wonder if some of my brethren have forgotten that Jesus said he would be present for every service? Yes, Jesus is present even for the Sunday night service. "For where two or three are gathered together in my name, there am I in the midst of them." (Matt. 18:20)

If members of the Church really enjoyed the presence of Jesus, don't you think they would be anxious to be where he meets with his people? If they really loved the Lord as they would like for us to think they do, don't you think they would come to ALL the services of the church? I am sure they would.

If we could announce to the members of the church here and to the people of this community, that next Sunday night the President of the United States would be here in our services, how many of our members would be absent? None would be absent, all would be present. There would be enough people to fill our auditorium two or three times. Why? The President would be sufficient to attract a large audience, because he is considered to be a great man. But behold, I say unto you, a greater than Harry S.

Truman will be here. Will you come to meet even a greater than the President of these United States? Jesus Christ the Son of God will be present for our service; How many will meet with Him here?

Sometimes we travel hundreds of miles to visit and be with our relatives and friends. We spend time and money in order to do this. Why? Because we really enjoy being with them. We enjoy their company and fellow-ship. Yet, there are those who claim to be Christians, who will not make any effort whatsoever, to worship God on Sunday evening. Why? The inevitable conclusion is, they do not enjoy the association and fellow-ship of the Son of God.

There are not many more ways of showing to the world a real genuine faith in so direct and powerful a manner as that of faithful, regular and prompt attendance to all the stated services of the church. Numbers, somehow, add enthusiasm. If you, and you, and all of us will come, we will lead others to come, even those who are not members of the Lord's Church and who knows but they may be led to obey the Gospel in this way.

Sunday night services are not out of date. There is a place, a great place for them. They have a purpose, and continue to do much good. Are you attending services Sunday night? Get the habit. Services last only about an hour, and you are missing a great deal that you need, if you fail to come.

Revised and adapted,  
---Vestal Chaffin,
