A CORDIAL WELCOME AWAITS YOU

JANUARY 24, 2016

“MORE THAN A QUARTER”

There once was a father who attended worship services with his little boy who was ten years old. The man found fault with everything that took place in the services.

As they walked home he criticized everything. They didn’t start on time. The pews weren’t comfortable. The preacher wasn’t a good speaker. The sermon was waay too long. The singing was too loud and was off key. The praying wasn’t loud enough and too short. It was too hot in the auditorium and when they turned on the air-conditioner it was too cold. The dad just continued to criticize.

The young boy — who had noted what his father put in the collection basket said, “Well dad, what did you expect for a quarter?”

Galatians 6:7 says, “ ... whatever a man sow; that will he also reap.”

When you go to worship, do you put in a quarter or do you put in your heart?

—Frank

ELDERS CORNER

WHY SOME FAIL

A noted psychologist was asked to give the reason why so many people failed in their efforts to make life successful. These frank and valid reasons were penned. Try them and see if they fit your life.

1. Finding fault with the other fellow but never seeing your own.
2. Doing as little as possible and trying to get as much as possible for it.
3. Spending much time showing up the other fellow's weak points, and too little time correcting your own.
4. Slandering those we do not like.
5. Procrastination—putting off until tomorrow what we should have done day before yesterday.
6. Deceit - talking friendly to the other fellow's face and stabbing him in the back as he turns.
7. False belief that we are smart enough to reap a harvest of pay before sowing a crop of service.
8. Disloyalty to those who have trusted us.
9. Egotism - the belief that we know it all, and no man can tell us anything.

THE DARKNESS OF ATHEISM

I read a story one time of an Atheist who was wishing for something in the past that he had lost, because of Atheism...Here is the story.... (this came from the writings of J.W. McGarvey...)

“I would gladly give away all I am, and all I ever may become, all the years, every one of them, which may be given me to live, but for one week of my old childhood's faith, to go back to calm and peace again, and then to die in hope?? Oh, for one look of the blue sky, as it looked then when we called it heaven! The old family prayers, which taught us to reverence prayer, however little we understood its meaning, the far dearer private prayers at our own bedside, the dear friends for whom we prayed, the still calm Sunday with its best clothes and tiresome services, which we little thought were going so deep into our hearts when we thought them so long and tedious; yes, it is among these so trifling seeming scenes, these, and a thousand more, that our faith has wound among our heartstrings; and it is the thought of these scenes now which threatens me with madness as I call them up again.”

OUR SICK

Please Remember in your
prayers

It was reported last Sunday that **Roger and Grace Allen** were ill, but were able to attend the Wednesday evening Bible Study this past week.

Don Minor has not been feeling very well this past week.

It was also reported Bill Knost's brother, **Earl Knost**, was at the Mayo Clinic with health problems.

The Knost family requests prayers for Mary Tabor's son, **Randy Tabor**.

Don Turnmire's (past preacher at Warners Chapel) wife, **Millie**, has recently been hospitalized with a stroke. She is showing improvement each day (her speech and vision are getting better and she is able to walk again with a walker). Our thanks to each of you for your prayers. Please continue to pray for her that she can regain what she lost by the stroke.

Lori Spencer will have a double mastectomy on January 27th. Thank you for your continued prayers as they fight this LONG fight. —Nancy Minor
